Hi Daisy,  
I replied to you on June 21 but I see that I spelled Remine incorrectly as Remaine!

Please feel free to give me a call if you want a B & T file with the data as of now.

Regards  
John

Assessor  
Town Of Leicester, Worcester County

Dear John :

My name is Daisy Etorne from Remine. At this time, Remine is updating its property files, and I am writing to inquire into the availability and cost of the 2018FY assessment, building characteristic, and current tax information for Town Of Leicester. If possible, we would prefer the same data set that many towns provide to the Warren Group. Please contact me at your convenience, either by phone or email, and advise me of the availability and cost of the data and the procedure for its acquisition.

I would like to thank you for your time and consideration with this matter, and look forward to hearing from you.

Respectfully,

Daisy Etorne
