Subject: Leicester town Building Permits - Public Records Request

Dear Deborah Davis,

MA.1524.5742

Pursuant to Massachusetts Public Records Act § 66-10 et seq., I am requesting copies of public records for your building permit report or log dating back as many years as you have on file. Ideally, this report or log would contain the physical addresses, issue dates, type/category of work, description of work, contractor, and other items for all building permits.

An electronic copy in Excel or CSV format is preferred, but we will accept the report in whatever format you have it and for all information fields you have available. Please feel free to contact me with any questions or concerns.

Thank you very much for your time.
